APPLICATION FORM

Dear Applicant,

Thank you for your interest in the Oasis Bursary Programme for the 2019 Academic Year. Please complete this application form in accordance with the instructions below and submit the completed application form to the Oasis Bursary Committee within the prescribed timelines. Kindly ensure that all supporting documentation is included, so that your application can be taken into consideration by the Oasis Bursary Committee.

1. Salient Terms of the Bursary Award

Should your application be successful, please note that:

- The Oasis Bursary is only offered for the fields of study/courses listed in schedule 1 hereto.
- You may not amend your course of study without prior written consent from the Company;
- You will be required to maintain an average of 70% for the duration of your course of study and you will be required to provide regular reports in this regard;
- The Bursary is awarded for the full academic period at a single academic institution;
- You will be required to participate in the Oasis Vacation Work Programme:
- · You will be required to enter into an agreement with the Bursar and its Administrator, which agreement will provide more detail of the above and the remaining terms and conditions upon which the Bursary will be awarded to you;
- · Upon the successful and satisfactory completion of the course of study stipulated in the Bursary agreement, you will take up employment with the Company for a period equal to the duration for which you are on the Oasis Bursary Programme, plus one calendar year, ("the Period") unless otherwise determined by the Company;
- That you may not accept any other Bursary or other form of financial assistance from any other company without the prior written consent of the Company;
- · You are accordingly advised to carefully consider the above prior to submitting your application as the Bursar follows a stringent selection process and should the above not be acceptable to you, this may result in another deserving student's application not being considered and would negatively impact the selection process.
